Dear Store Manager,

I am a frequent shopper here at your store.

I would like to request that you stock Kane Candy Chocolate Cups in retail packs for local purchase by myself, friends & family. We LOVE this product line!

These mini chocolate cups provide a quick & easy way for consumers to make world class, chef inspired chocolate desserts at home. Great for everyday dinner parties, weddings, baby showers, holiday events, special occasions, wine & liqueur tastings & more .

Kane Candy offers them in 9 retail varieties and I have printed this letter from their website.

As a regular customer, I would really appreciate you taking a look at these and hope to be able to purchase at your store soon.

For product information, local distributors or direct buying options, please contact them at info@KaneCandy.com or 1-800-875-5557
